

ReelDx Education A-Z Topic List | December 2015

A abdominal distension

Abdominal laceration
Abdominal mass
Abdominal pain
Abrasion
Abscess
Absence seizure
Acanthosis nigricans
Accessory nipple
Accidental ingestion/poisoning
Accidental trauma
Acquired coagulation disorders
Acute bronchitis
Acute cerebellar ataxia
Acute glomerulonephritis (AGN)
Acute lymphoblastic leukemia (ALL)
Acute otitis media
Acute palmoplantar eczema
Acute parotitis
ADD, ADHD
Adolescent trauma
Adult foster care
Adverse drug reaction
Afferent pupillary defect (APD)
Airplane crash
Albuterol nebulizer
Alcoholism
Allergic dermatitis
Allergic reaction, allergy
Alopecia
Altered level of consciousness (ALOC)
Altered mental status
Alzheimer's disease
Ambulation pain
Anal fissure
Anaphylaxis
Anemia
Angel kiss
Angioedema
Animal bite
Ankle pain
Ankyloglossia
Anorexia
Anthrax
Anxiety

Aphagia
Aphasia
Apnea
Appendicitis
Arachnidism
Archer posture
Arm pain, arm injury
Arrhythmia
Arthralgia
Ascites
Aspiration pneumonia
Assault
Assisted living
Asthma, asthma exacerbation
Ataxia
Atopic dermatitis (eczema)
Atrial fibrillation
Atypical seizure
Autism
Autoeczematization
Autosomal recessive disease

B Babinski test

Backboard clearance
Back pain
Bacterial infection
Basal cell carcinoma
Bat bite
Bedside echocardiography,
Bedside ultrasound
Bell's palsy
Bifid tongue
Bike accident
Bilateral internuclear ophthalmoplegia (INO)
Biliary atresia
Bilious emesis
Biopsy, skin biopsy
Bipolar disorder
Birth defect
Birthmark
Birth trauma
Blanching rash
Bleeding
Blister

ReelDx Education A-Z Topic List | December 2015

Bloody stool
Blue sclerae
Blunt trauma
Blurred vision
Bone necrosis
Bowel disorder
Bowel obstruction
Boxer's fracture
Bradycardia
Brain tumor
Branchial cleft
Breastfeeding
Breast swelling
"Brick dust" urine, brick stain
Broken clavicle
Bronchiolitis
Bronchitis
Broncho-constriction
Bronchospasm
Brown recluse spider bite
Bulging fontanelle
Bullet injury
Bullous myringitis
Burkitt's lymphoma
Burn injury

C C-7 fracture
Calcium deficiency
Cancer
Candida dermatitis
Cannabis
Capillary refill
Capillary refill, delayed
Capistraton
Capute-rimoin syndrome
Car accident
Cardiac dysrhythmia
Cardiocutaneous syndrome
Cardiomegaly
Cardioversion
Cerebrovascular accident (CVA)
Cervical spine clearance
Cervical spine immobilization

Chalazion
Chemical burn
Chest deformity
Chest pain
Chest pressure
Chest wall trauma
Chickenpox (varicella)
Chickenpox vaccine
Childhood cancer
Cholelithiasis
Choreathetosis
Chronic abdominal pain
Chronic back pain
Chronic ecchymosis
Chronic lung disease
Chronic osteomyelitis
Chronic pain
Chylous fluid
Circumcision
Circumferential extremity burn
Cirrhosis
Clavicle fracture
Cleft lip, cleft palate
Clonus
Closed head injury/trauma
Coin ingestion
Common cold
Common wart
Community-acquired infection
Complicated wound
Complications of prematurity
Compression fractures
Concussion
Confusion
Congenital abdominal wall defect
Congenital anomalies
Congenital defect/disorder

ReelDx Education A-Z Topic List | December 2015

C Congenital diaphragmatic hernia

Congenital ptosis
Congestive heart failure (CHF)
Conjugated hyperbilirubinemia
Conjunctival hemorrhage
Conjunctivitis
Constipation
Contact dermatitis
Coordinated care
COPD, COPD exacerbation
Corneal abrasion
Corneal lesion
Corneal scarring
Corneal ulceration
Cortical thumbing
Cough
Cover test
Coxsackievirus
Cradle cap
Critical care
Croup
Cryotherapy
Cryptorchidism
Cut
CVA

D dark urine

Dehydration
Delirium tremens
Delta granular storage pool deficiency
Dementia
Dental caries
Dental pain
Dental trauma
Depigmented rash
Depression
Dermal melanocytosis
Dermatitis
Dermatophytid
Dermatophytosis
Developing world medicine
Developmental delay
Developmental dysplasia of the hip
Developmental milestones
Diabetes

Diabetes complications
Diabetes insipidus
Diabetic ketoacidosis
Dialysis
Diaper dermatitis (diaper rash)
Diplopia
Diarrhea
Difficulty breathing
Distended abdomen
Diving injury
Dizziness
Dog bite
Do not resuscitate procedures
Drug abuse
Drug ingestion
Drug rash
Dry lips
Dry mouth
Dual nebulizer
Dyshidrotic eczema
Dyspnea

E ear abscess

Ear foreign body
Ear infection
Ear pain
Ear pit
Ecchymosis
ECG placement
Eczema
Eczema herpeticum
Edema
Elbow pain
Elderly care
Elevated direct bilirubin levels
Emesis
Endocarditis
Endocavitary bedside ultrasound
End-stage cancer
Enlarged heart
Enlarged scrotum enterovirus
ENT infection
Epilepsy
Epistaxis
Epstein-Barr virus infection

ReelDx Education A-Z Topic List | December 2015

ERCP

Erythema
Erythema infectiosum
Erythema multiforme minor
Erythema nodosum
Erythema toxicum
Eschar
Esotropia
ETD
EtOH abuse
Eustachian tube dysfunction
Exanthem subitum
Excision
Exophthalmus
Extremity trauma
Eye injury
Eyelid disorder
Eye movement disorders
Eye trauma

F fracture

Fracture of cervical spine
Facial droop, facial weakness
Facial edema, facial swelling
Facial nerve paralysis
Facial rash
Facial trauma
Failure to thrive
Fainting
Falls
Falls in the elderly (GLF)
Fast ultrasound
Fatigue
Febrile seizure
Fever
Fifth disease
Filariasis
Finger fracture
Finger laceration
Finger trauma, finger pain
Fish allergy
Flank pain
Flea bites
Flourescein exam

Flu
Fly in ear
Food allergy/allergies
Foot pain
Foot rash
Forearm fracture
Foreign body
Foreign body ingestion
Frenotomy, frenulectomy
Friedreich ataxia
Functional abdominal pain
Fungal infection
Fussy child

G gallstones (cholelithiasis)

Gangrene
Garbage house
Gastric irrigation
Gastric tube obstruction
Gastroenteritis
Gastroesophageal reflux (GERD)
Gastrostomy-jejunostomy tube
Generalized seizure
Genetic disorder
Genetic testing
GERD
Geriatric trauma
Gingivostomatitis
G-J tube, GJ tube
Glue repair
Google glass
Gopro
Gorlin syndrome ii
Granuloma
Grave's diseasea
Griseofulvin
Ground level fall (GLF)
Group a streptococcus
Grunting
G-tube
Gynecomastia
Geriatric trauma

ReelDx Education A-Z Topic List | December 2015

H habit cough

Hair loss
Hair tourniquet
Halitosis
Hand burn
Hand edema
Hand foot and mouth disease
Hand fracture
Hand laceration
Hand trauma
Headache
Head laceration
Head lice
Head trauma
Heart attack
Heart murmur
Hemangioma
Hematemesis
Hematoma
Hemoperitoneum
Hemorrhagic disease
Hemorrhagic disease of the newborn
Henoch-schonlein purpura (HSP)
Hepatitis C
Hepatomegaly
Herbal medicine
Hernia
Heroin
Herpangina
Herpes gladiatorum
Herpes rash, herpes simplex
Herpes virus simplex 1 (HSV-1)
Herpes zoster (shingles)
HSV-6
High blood pressure
High blood sugar
Hip pain
Hirschsprung's disease
Hives
Hoarding
Hoffman's sign
Hordeolum (stye)
Hospice care
Hot tub folliculitis
HSV-1

Human bite
Human immunodeficiency virus (HIV)
Human metapneumovirus (HMPV)
Human papillomavirus (HPV)
Hydrocele
Hydrocephalus
Hyperglycemia
Hyperhidrosis
Hyperpigmented lesions/rash
Hypertension
Hyperthyroidism
Hyperventilation
Hyphema
Hypoglycemia
Hypospadias
Hypotension
Hypotonia
Hypovolemic dehydration
Hypoxemia

I identical twins

Idiopathic trauma
ID reaction
Ileus
Ilven syndrome
Impetigo
Incision and drainage (I&D)
Infantile hemangioma
Infantile seborrheic dermatitis
Infant nasal breathing
Infant reflexes
Infected laceration (cut)
Influenza
Ingrown toenail
INO
Inherited ataxia
Insect bite
Insulin pump
Insulin resistance
Intention tremor
Intercostal retractions
Intraoral ultrasound
Intraorbital floor fracture
Intussusception
Irrigation

ReelDx Education A-Z Topic List | December 2015

Ischemic digit
IV drug abuse
IV insertion
IV placement

J/k jaundice

Jaw pain
Jaw thrust procedure
Joint infection
Jugular venous distention
Kasai procedure
Keratosi pilaris
Kerion
Kidney dialysis
Knee effusion
Knee injury
Knee laceration
Knee pain
Knee replacement
Knife wound
Koolen-de Vries syndrome
Kwashiorkor

L laceration

Language barrier
Leg edema
Leg laceration
Leg pain
Lentiginosis profusa syndrome
Leopard syndrome
Leprosy
Light reflex
Limp
Lingual fibroma

Lip abscess
Lip injury, lip trauma
Lip laceration
Liver disease
Liver failure
Lobular capillary hemangioma
Local anesthetic
Loss of consciousness
Lower extremity weakness
Lower respiratory tract infection
Low platelet
Loxoscelism
Ludwig's angina
Lumbar puncture
Lupus
Lye exposure
Lymphadenopathy
Lymphangitis
Lyme disease

M malaise

Malnutrition
Marasmus
Marijuana
Mastoiditis
Maxillary fracture
Meconium
Medication reaction
Melanoma
Melanoma in situ
Meningitis
Metacarpal fracture
Metastatic cancer, metastatic disease
Microcephaly
Micrognathia

ReelDx Education A-Z Topic List | December 2015

M

Microtia
Migraine headache
Miliaria
Moderate respiratory distress
Molluscum contagiosum
Mongolian spot
Monilial diaper rash
Mononucleosis
Morgagni hernia
Moro reflex
Mosquito bite
Motorcycle crash, motorcycle trauma
Motor vehicle accident (MVA)
Motor vehicle collision (MVC)
Mouth lesion
Moynahan syndrome
MRSA
Mucocele
Multiple sclerosis (MS)
Mumps
Murphy sign
Muscle weakness
Myasthenia gravis
Myelomeningocele
Myocardial infarction (MI)
Myocarditis

N nail infection

Nail shedding
Nasal cannula
Nasal flaring
Nasal foreign body
Nausea
Nebulizer
Neck abscess, neck mass
Neck pain
Neck trauma
Necrosis
Neonatal acne
Neonatal emergencies
Neonatal jaundice
Nephrectomy
Nephritis
Nephrosis

Neural tube defect
Neurofibromatosis
Neuropathy
Neutropenia
Nevus sebaceous
Nevus simplex
Newborn cyst
Newborn disorders
Newborn exam
Newborn gynecomastia
Newborn jaundice
Newborn leukorrhea
Newborn reflexes
Newborn screening
Newborn stool
Newborn temperament
NF1
NG tube insertion
Night sweats
Non-accidental trauma
Non-bilious emesis
Non-cardiac chest pain
Noncompliance
Noonan syndrome
Noonan with multiple lentigines
Normal newborn
Nosebleed
Nursemaid's elbow
Nursing

O obesity

Obstipation
Obstructive jaundice
Onychocryptosis
Onychomadesis (nail shedding)
Ophthalmia neonatorum
Ophthalmoplegia
Organophosphate pesticide poisoning
Oropharyngeal candidiasis (thrush)
Oropharyngeal trauma
Orthopedic reduction
Orthostatic hypotension
Osgood-schlatter disease
Osteogenesis imperfecta (OI)

ReelDx Education A-Z Topic List | December 2015

Osteomyelitis

Otalgia

Otitis-conjunctivitis

Otitis media

Oto-irrigation

Otorrhea

Ovarian cancer

Overdose

Overweight

P palatal injury

Palatal petechiae

Palmar grasp

Palpitations

Panic attack

Papular acrodermatitis

Paraphimosis

Paronychia

Parotid gland swelling

Parotitis

Parvovirus B19

Passive smoke exposure

Patellar subluxation

Peak flow meter

Pedal edema

Pediatric cancer

Pediatric generalized anxiety disorder

Pediatric seizure

Pediatric surgery

Pelvic inflammatory disease (PID)

Penetrating neck trauma

Perforated appendicitis

Pericardial effusion

Pericarditis

Peri-ocular edema

Periorbital cellulitis

Peripheral edema

Peristalsis

Peritoneal pain

Peritonsillar abscess

Pesticide

Petechial rash

Pharyngitis

Phimosis

Photophobia

Photosensitivity

Physiologic jaundice

Phytophotodermatitis

Pimples

Pink eye

Pitting leg edema

Pityriasis alba

Pityriasis rosea

Placement of ECG leads

Plantar fasciitis

Plantar grasp

Plastic surgery

Playground injury

Pleural effusion

Pleuritic pain

Pterygium

Pleuritic chest pain

Pneumonia

Pneumonitis

Pneumothorax

Poison oak

Polydipsia

Polymyositis

Polyomyelitis (polio)

Polyuria

Poor feeding

Portal hypertension

Port-wine stain

Possible overdose (OD)

Post-auricular lymph node enlargement

Postictal state

Postoperative complication

Preauricular skin tag

Primary wound closure

Procedural sedation

Prodrome

Progressive cardiomyopathic lentiginosis

Propofol sedation

Prostate cancer

Prostatitis

Protein-energy malnutrition (PEM)

Proteinuria

Pruritic rash

ReelDx Education A-Z Topic List | December 2015

Pseudomonas aeruginosa folliculitis
Psoriasis
Psychiatric emergency
Psychogenic cough
Ptosis
Puberty
Pulmonary edema
Pulmonary embolism
Pulmonary hemorrhage
Pulmonary hypertension
Puncture wound
Purpuric rash
Pustular melanosis
Pustular rash
Pyelonephritis
Pylorus stenosis
Pyogenic granuloma
Pterygium
Ptergium, pterygium

R rabies prophylaxis

Rachitic rosary
Rad exacerbation
Radial head subluxation
Radius fracture
Rales
Ranula
Rare disorder, rare disease
Rash
Raynaud's phenomenon
Reactive airway disease
Reactive synovitis
Rebound tenderness
Rectal bleeding
Rectal pain
Red eye
Referred pain
Reflux
Refusal of medical care
Renal cyst
Renal failure
Respiratory distress
Respiratory failure
Respiratory pause
Respiratory syncytial virus (RSV)

Rhinorrhea
Rhus dermatitis
Rib fracture
Rickets
Right lower quadrant pain, RLQ pain
Right upper quadrant pain, RUQ pain
Ringworm
Roseola
Rovsing's sign

S Salter fracture

Sandifer syndrome
Scabies
Scalp abscess
Scalp bruise
Scalp rash
Scaly rash
Scanning speech
Scarlet fever
School avoidance
Scleral hemorrhage
Scleral icterus
Scleral laceration
Scoliosis
Seatbelt sign
Sebaceous nevus
Seborrheic dermatitis
Second degree burn
Sedation
Seizure
Self-mutilation
Sepsis
Septic arthritis
Septicemia
Sequestra
Sequestrum
Setting sun eyes
Shingles
Shortness of breath
Shoulder dislocation
Shoulder injury, shoulder pain
Shoulder reduction
Shock
Shunting lesion
Sickle cell anemia

ReelDx Education A-Z Topic List | December 2015

Sixth disease
Sinus infection
Skin biopsy
Skin lesion, skin rash
Skull mass
Slapped cheek disease
Small bowel obstruction
Small for gestational age
Soft palate injury
Sore throat
Spica splint
Spider bite
Small bowel obstruction
Small for gestational age
Soft palate injury
Sore throat
Spica splint
Spider bite
Spina bifida cystica
Spinal cord injury
Spinal tap
Splenectomy
Splenic sequestration
Splint
Sports injury, sports medicine
Sprain
Staphylococcus
Staphylococcus cellulitis
Status asthmaticus
Steri-strip closure
Stimulants, stimulant class medications
Stomach pumping
Strabismus
Strawberry hemangioma
Streptococcal pharyngitis
Stress induced chest pain
Stridor
Stroke
Squamous cell carcinoma
Streptococcal pharyngitis

T-cell lymphoma
Teething
Terminal illness
Thelarche
Thermal burn
Third degree burn
Thoracentesis
Throat abscess
Throat pain
Thrombocytopenia
Thumb spica splint
Thyroglossal duct cyst
Thyroid disorder
Tinea capitis
Tinea pedis
Tinea versicolor
Tissue adhesive
Toddler development
Toe defect
Toe fracture
Toe pain
Toe rash
Tongue mass
Tongue-tie
Tonsillectomy
Tonsillitis
Tonsillolith (tonsil stone)
Tooth abscess
Torticollis
Toxic synovitis
Traditional medicine
Trail house, trash house
Transfer of care
Transient cessation of breathing
Transporting violent patients
Trauma
Trauma in the elderly
Traumatic conjunctivitis
Traumatic injury
Tremor
Tuberculosis (TB)
Type 3 Salter-Harris fracture

T tachycardia
Tachydysrhythmia
Tachypnea

ReelDx Education A-Z Topic List | December 2015

U ulna fracture

Ulnar gutter splint
Ultrasound
Umbilical hernia
Undescended testicle
Upper motor neuron signs
Upper respiratory infection (URI)
Ureteral stone
URI
Ureterolithiasis
Uric acid crystals (brick stain)
Urinalysis
Urinary tract infection (UTI)
Urogenital defect
Urticaria (hives)

V vaccination

Vaginal delivery
Vaginal discharge
Varicella-zoster virus
Venous stasis
Ventricular assist device
Ventricular tachycardia
Verruca vulgaris (common wart)
Vertigo
Vesicular rash
Vasculitis
Violent behavior
Viral exanthem
Viral illness, viral infection
Viral pharyngitis
Viral syndrome
Vitamin deficiency
Vitamin D
Vitamin D deficiency
Vitamin K deficiency
Vitiligo
Vomiting

W warfarin-induced skin necrosis

Wart
Weight loss
Wheezing
Wilm's tumor
Wound infection
Wound management
Wound ulceration
Wrist fracture
Wrist injury
Wrist pain

Y yellow infant

X xeroderma pigmentosum
